RESPONSE TO RESTRICTION REQUIREMENT

Honorable Assistant Commissioner of Patents and Trademarks,
Washington, DC 20231

SIR:

In response to the Restriction Requirement dated June 18, 2004, Applicants hereby traverse the Restriction Requirement. Applicants' representative discussed the Restriction Requirement with the Examiner in a telephone discussion on June 29, 2004 in which Applicants' representative noted claims 1-48 were cancelled in the Divisional Application Transmittal form and therefore the restriction requirement has been obviated. Claims 49-88, drawn to an electrical cable, classified in class 174, subclass 117 are currently pending in this application. Receipt of the initial Office Action on the merits is awaited.

Respectfully submitted,
